

SOFTWARE LICENSE AGREEMENT OF DBM Systems Inc. for BUSINESS LICENSE SYSTEM

Dbm Systems, Inc. ("LICENSOR") is willing to license the accompanying software to you only if you accept all the terms in this license agreement. Please read the terms carefully before you install the software, because by installing and activating the software you are agreeing to be bound by the terms of this agreement. If you do not agree to these terms, licensor will not license this software to you, and in that case, you should immediately delete all copies of this software you have in any form.

OWNERSHIP OF THE SOFTWARE

1. The enclosed Licensor software program ("Software") and any accompanying written materials are owned by Licensor or its suppliers and are protected by United States copyright laws, by laws of other nations, and by international treaties.

GRANT OF LICENSE

2. If you have purchased a license to the Software, Licensor grants to you the right to use one non-transferable copy of the Software on a single computer.

3. If you need to install the Software on another system, you must purchase an additional license.

4. Each license of the Business License System entitles you to install a single copy of the Business License Server on a single server.

5. You need to purchase at least one full license of Business License for every installation of the Business License Server.

RESTRICTIONS ON USE AND TRANSFER

7. If you install Business License System on a system such as a Terminal Server or a Citrix Server and multiple users remote connect to that system, then you need to purchase 1 license for each user that remote connects.

8. If you install Business License System on a single computer, be it a physical machine or a virtual machine, and multiple users login to the that system, only one user is allowed to use Business License System at a time.
